About This Content

This Extra Character Pack for 100% Orange Juice adds 2 all-new playable characters from developer Orange_Juice - **Ceoreparque** and **Miusaki** from the Alicianrone universe, and a new single player campaign featuring them.

Witch Pack includes

- **Ceoreparque** and **Miusaki** from 'Alicianrone'
- New, unique Hyper Cards for both characters to bring chaos to the battlefield with!
- New music tracks play as Ceoreparque and Miusaki's themes
- An all-new campaign featuring the new characters and expanding the lore of the game!

The new characters are designed by Orange_Juice's original staff for the game's English Steam release, with character and hyper card art by Hono.
