A multiplayer survival game of parenting and civilization building Get born to another player as your mother.. Hey folks, I'm Jason Rohrer, and I've been working on One Hour One Life for more than three years.. This is the ending of One Hour One Life Starting the Apocalypse guide [One Hour One Life For Mobile](#) [One Hour One Life For Mobile](#), [One Hour One Life For Mobile](#) You are Hope [One Hour One Life For Mobile](#).. You join the game server as a newborn baby, and some other randomly-chosen player is your mother.. I've been doing everything myself—I drew all the graphics on paper with pens and markers, I coded the entire engine from scratch, I composed and performed all of the music, and I even made all of the sound effects.
